Why Do I Need Precalculus?

Getting Help

- Although I provide periodic progress reports, please check edline regularly. See me immediately for any discrepancies. You should never "wonder" what your approximate grade is in this class.
- If you need extra help, see me (don't wait until it is too late!) to arrange a time. I am available:
 - M-F before school (7:00-7:35 am)
 - W after school (2:30-3:00pm)
 - M-TH period lunch (11:30-12:00pm)

It's best to make an appointment to ensure that I'm available. Otherwise, stop in and take your chances.

Classroom Conduct

- Come to class on time, prepared to work. Be an active participant. You will only get out of this class what you put into it.
- Be kind, considerate and treat others with respect.
- Don't let your cell phone dictate your grade. Use the cell phone nanny!

Homework

- Homework will be assigned each class and we will go over the assignment during the next class.
- It is **YOUR RESPONSIBILITY** to complete homework and ask questions.
- Periodically I will check homework for completeness and I will give unannounced (open note) homework quizzes. Homework quizzes are not re-assessable.

No Senior Slump Allowed!!
(This goes for the rest of you too!)

Have a great year!
